EXHIBITION

WHY EXHIBIT AT EACR 2026?

The opportunity to exhibit is an integral part of the Congress and the exhibition area will be a major hub of activities. Exhibiting gives you an edge and enables you to engage with the passing trade of existing and potential customers as they walk past. We have designed the exhibition layout to ensure the highest level of exposure to participants.

The size of the exhibition hall allows us to combine it with posters as well as catering services during coffee breaks and lunch, attracting participants to the exhibition. A welcome reception with complimentary refreshments will be held on the evening of the first day in the exhibition hall.
